Quarterly Notes for the

"Friends of the Brotherhood of S. Laurence"

Fitzroy, Vic.      DECEMBER, 1939.      No. 32.

S. Cuthbert's Priory,  
East Brunswick, N.11.  
December, 1939.

Dear Friends,

Economy must be the order of the day during this time of wa.—hence the advent of the Notes in an attenuated form. We realise that many calls are being made, and many more will be made, on your financial resources, but I feel sure that you would not have us curtail our work in spite of the war, and all that it means to us. The support and the sympathy that you have given us for so long indicates to me that you realise that our work of the past has been of value. I think that our work is of even greater value during these days of war, and will be of still greater value in the days after the wa. when all our resources will be needed to help in ministering to a sick and disillusioned world. Wrong as I believe war to be, I feel that we were forced to go to war—we had to choose between the lesser of two evils. Although we will all have to make our contribution towards the successful prosecution of the war. I believe that more is required of us. I believe that we have to begin now to prepare for the reconstruction that will have to take place after the war. It would be foolish to prophesy as to the state of the world after the war, but it would seem that we will have to face a financial depression greater than we have ever known in the past. Such will involve suffering for all, and such, I fear, will endanger the well-being of many organisations that are working for the benefit of mankind. I believe that the time is coming when the organisations to which I have referred will be unable to carry on without

Salvage  
great sacrifice on the part of those responsible. If the work is to continue, many men, and many women, too, will have to work without financial reward.

Up to the present, we of the Brotherhood receive the sum of 15/- a week for personal expenses. I know that I am speaking for all the members when I say that, if the sum referred to has to be reduced, or even given up entirely, we will still carry on. I think that our friends will see that we have the wherewithal for food and shelter. In future, we shall only take men for training who are prepared to make any sacrifice that the future may demand. Tens of thousands of men are ready to die in the service of their country. If any of our young men feel that it is their duty to take up arms, we will not prevent them from so doing, but if they stay with us they will have to be prepared to make sacrifices as great as those who go forth to war. As I said before, we have to carry on with the war, but we must be prepared for the days after the war.

Such I feel to be my chief task as head of this Brotherhood. There is a handful of men with me whose aim is to serve their fellow man irrespective of the personal cost. I want to add to that number. I want to build into an army of men who are prepared to "endure hardness as good soldiers of Jesus Christ"—men ready to do anything, go anywhere, suffer anything for the hastening of the time that war shall be no more, and all mankind shall acknowledge Christ as King. We realise that the war and the days after the war are going to make great demands on us. May we be given grace to respond to those demands!

I have been told by some that we are going to be badly hit by the war, and that people will divert their contributions from us to war funds. My answer has always been that our friends will not fail us. It is a question once again of "this ye ought to have done and not to leave the other undone." To provide for the needs of the soldiers, and to meet heavy taxation, and at the same time to respond to the call of the half-starved and ill-clad youngsters in the slums, and of others who are suffering through no fault of their own, will involve sacrifice, but I cannot think that Australians in general, and B.S.L. friends in particular, will shirk the sacrifice demanded.

I know that you will not forget our people at Christmas time. We want to give our settlers their usual Christmas presents, and to give the men and boys of the hostel a good Christmas dinner, and then there are the youngsters in the S. Mary's district. We want to bring some happiness into their drab lives.

For six years we have been doing what we could for those who have been thrown on the scrap heap of life. We feel that even the war must not prevent us carrying on with that work. It will not, I know, because you good folk are going to stand by us, come what may.

I think that the picture that goes to you with the Notes speaks more eloquently than can any words of mine.

I hope that what I have written will enable you to understand our war policy, and to see that what we stand for is of even greater importance in these days of war, than it was in the days of peace.

It may seem out of place to wish you all a Happy Christmas when there is so much to make us unhappy. I think, though, that we can be happy even in these dark days. We can be happy if we are doing our part to displace hatred, and suspicion by love and goodwill.

I therefore wish you all a very Happy Christmas, and in doing so I thank you for all you are doing for us and our people.

I am, dear B.S.L. friends,

Yours very sincerely,

C. Kennedy Tucker

Superior B.S.L.

P.S.—Please do not forget the Carrum Downs outing on Saturday, December 9th.—G.K.T.

MATTERS OF IMPORTANCE IN A FEW WORDS.

*Staff* *Changes.*—The Vice-Superior has been transferred to Headquarters, of which he will have oversight. He will also act as Priest in charge of S. Mary's, and be responsible for the Carrum Downs work. This arrangement will relieve the Superior of some of his responsibilities, and enable him to devote more time to the work of organising. The Superior will continue to be Vicar of S. Cuthbert's, and will also act as Warden of the Training Centre, which is referred to below.

In future, all letters to the Superior should be addressed to S. Cuthbert's Priory, East Brunswick, N.11.

*Keble* *House.*—Some of our friends will remember that the above was the name of our Training Centre when it was situated in East Melbourne. Circumstances were such that we had to transfer the work, as a temporary expediency, to Carrum Downs. Through the generosity of a friend who is specially interested in our training work, Keble House is again to come into being. It is now to be situated within a minute's walk of S. Cuthbert's Church, East Brunswick. Mr. Frank Coaldrake, B.A., who for the last three years has been travelling secretary for the Australian Student Christian Movement, has been appointed tutor of the House. Mr. Coaldrake is coming with the view of joining the Brotherhood.

*Frank* *Coaldrake*

*Young men* *Centenary* *Week*

In addition to our own students, the House will be able to accommodate a certain number of young men who, while working in the city, desire to study, and test their vocation for the Sacred Ministry. Mr. Coaldrake will be able to guide such men in their studies. We have already secured a staff of lecturers, who will prepare full-time students for the Th.L. examination.

*Wettnhall*

**Carrum Downs Outing.**—This annual event will take place on Saturday, December 9th. All who desire car accommodation should communicate with Mr. A. L. Wettnhall, 419 Collins Street, City. Tel. M 3515. Cars will leave the Malvern Town Hall at 2.15 p.m. The return fare will be 3/-. Mr. Wettnhall would be very glad of the loan of cars for the occasion.

*What Re-open?*  
*Schuyler*  
Re-opening of Hostels.—We were so glad to see such a large number of our friends on this happy occasion. Thanks to Mrs. Ernest Poolman, who provided the afternoon tea; Mrs. Karl Kumm, who provided the orchestra, and Mrs. C. W. Miller, who met the printing expenses, and to our guests, who put gifts into the "expenses box," the function helped to swell our funds, although it was not meant to be a "money-making affair."

We are very grateful to Mrs. Harold Oldham, who donated gay and serviceable quilts for all the beds in the hostel.

House of S. Francis.—We very much regret having to record the death of Dr. G. W. Latimer, the honorary physician of the House. In doing so, we would express our deep sympathy to his dear ones in their great loss. We would also express our appreciation of the valuable services rendered to us by this brilliant young man, who is mourned by us and all who knew him.

*Latimer was was he?*

Our Shop.—Owing to ill health reasons, Mrs. H. Hobson Walker has had to resign her position as president. We much appreciate the efficient and ready service Mrs. Walker has rendered us. Mrs. Healy, of the S. Cuthbert's parish, has been appointed in Mrs. Walker's place.

Please remember our ever present need for old clothes. The demand for the same is always greater than the supply. Goods addressed to the Brotherhood at Flinders Street Station are carried free on the railways. If it is desired that goods should be called for, please ring U 3053.

Newspapers.—Owing to the war, old newspapers have increased 50 per cent. in value. It most certainly is worth while keeping them. Please keep yours for us, unless, of course, you have promised them to another institution. We will send for them. Ring U 3053.

Brotherhood House.—Once again, "owing to the war," we have decided to give up the idea of building a home for the brothers at Fitzroy. As we are to open Keble House at East Brunswick, there will not be the same need for accommodation at Fitzroy now as there has been in the past. Part of the old cottage at Fitzroy has been demolished, and the two remaining rooms repaired. By carrying out other improvements, the buildings at headquarters will at any rate be habitable.

**Apex Club.**—The club, which did so much for us during the public appeal earlier in the year, recently held a meeting in the House of S. Francis. All the members of the House were invited, and the club provided a very good dinner for all. The interest these young business and professional men show in our work means much to us.

**Further Practical Co-operation.**—It often happens that out-of-work lads apply for admission to the hostel. Such, of course, are unable to pay for their board. The employees of the firm of Messrs. S. E. Dickens Ltd. have undertaken to give us the sum of 15/- a week, which will pay for the board of one unemployed lad until he can find a job. This means that one more lad is being given a chance which he would not have had otherwise.

**Finance Committee.**—The Committee recently passed a resolution recommending that no further extension work should be undertaken until the present overdraft at the bank is reduced. The Committee also advised that it should be suggested to supporters that, for the time being, they make their contributions available for general maintenance rather than for extension work.

**Stamps.**—There has been some falling off of late in the stamps received. It is worth while saving them. Over £80 has been made in the last two years out of stamps. Please send them to Miss Joan Bagot, 1104 Malvern Road, Malvern.

WE NEED—

1. Provision for every day needs.
2. Financial assistance with the training of future members of the Brotherhood. £50 for three years prepares one man for the Ministry.
3. Financial assistance in maintaining the men's and boys' hostel. This costs about £200 a year. All can pay very little, some nothing.
4. More Friends. Friends pay 3/- a year, for which they receive the Quarterly Notes.
5. Stamps, old clothes, newspapers.

## FURTHER THOUGHTS CONCERNING MAKING A WILL.

To our Friends,

The Brotherhood is now in the ninth year of its existence. Perhaps some day its history will be written. I do hope that if it is written the writer will tell of the good friends who rallied round us when we first came to Melbourne. At that time we had only a wreck of a cottage which we called a hostel for unemployed men. We told of what we hoped to do. People took us at our word, giving us of their substance and their service. Gradually the work has grown, and there is every indication of further growth. We now have our well-equipped hostel (the successor of the "wreck of a cottage"). Our Settlement is something that all who helped in its establishment may well be proud. Keble House, our training centre, is about to be established in East Brunswick.

During our years in Melbourne, our friends have enabled us not only to establish a hostel and a Settlement, but they have enabled us to train men for Brotherhood work. Those who came to us as mere boys are now Priests of the Church, and are taking their full share in the work for which we are banded together. When my time comes to lay aside the reins of office, I shall be able, with confidence, to leave the welfare of the Brotherhood in the hands of those who have given themselves to its service.

I like to think that when we have played our part and passed hence, we will be allowed to see what is going on here on earth. Those of us who have tried to serve our fellow men through the Brotherhood will want to see the work progressing, although we ourselves are "absent in the flesh."

We can all, during our lifetime, help provide for the future of the Brotherhood. You are doing it now by giving as you do of your prayers, your service, and your substance. Some will be able to do more. Some will be able to remember the B.S.L. in their wills.

G. KENNEDY TUCKER,  
Superior, B.S.L.
