FURTHER THOUGHTS CONCERNING MAKING A WILL.

To our Friends,

The Brotherhood is now in the eleventh year of its existence. Perhaps some day its history will be written. I do hope that if it is written the writer will tell of the good friends who rallied round us when we first came to Melbourne. At that time we had only a wreck of a cottage which we called a hostel for unemployed men. We told of what we hoped to do. People took us at our word, giving us of their substance and their service. Gradually the work has grown, and there is every indication of further growth. We now have our well-equipped hostel (the successor of the "wreck of a cottage"). Our Settlement is something that all who helped in its establishment may well be proud. Keble House, our training centre, is now established in East Brunswick.

During our years in Melbourne, our friends have enabled us not only to establish a hostel and a Settlement, but they have enabled us to train men for Brotherhood work. Those who came to us as mere boys are now Priests of the Church, and are taking their full share in the work for which we are banded together. When my time comes to lay aside the reins of office, I shall be able, with confidence, to leave the welfare of the Brotherhood in the hands of those who have given themselves to its service.

I like to think that when we have played our part and passed hence, we will be allowed to see what is going on here on earth. Those of us who have tried to serve our fellow men through the Brotherhood will want to see the work progressing, although we ourselves are "absent in the flesh."

We can all, during our lifetime, help provide for the future of the Brotherhood. You are doing it now by giving as you do of your prayers, your service, and your substance. Some will be able to do more. Some will be able to remember the B.S.I. in their wills.

December, 1940.

Dear B.S.L. Friends,

I was told that my last letter to you was of a somewhat depressing nature. If such is the case, I am sorry, but I was very anxious at the time in regard to the Hostel work, and because of the shortage of staff we were faced with the possibility of having to give up that branch of our work. I am glad to be able to say that the situation is now changed, and this is largely due to the generosity of our friends, who have given us sufficient money to pay for the wages of a cook. You will remember that I told you that the cooking was being done by the Brothers, in addition to their many other duties. When I wrote before they were working at a pressure which, if allowed to continue, must have led to physical breakdown. Their work is now such as can be coped with, and as long as you good people continue to stand by us as you are now doing, there will be no "evacuation of Fitzroy." That you have averted what, to us, would have been little less than a tragedy fills us with gratitude.

In regard to the envelope which goes with this, it is not intended for those of you who have recently subscribed to our funds. I am hoping, though, that perhaps many of you will be able to induce your friends, who are not yet our friends, to put something in the envelope and send it to us. You know, you can do so much by talking about our work. Although we have been working in Melbourne for six and a half years, there are still people who know nothing of the B.S.L.

From what comes in by means of the Thanksgiving envelopes we hope to be able to provide all our people with the usual Christmas cheer. This includes a Christmas Tree and presents for our slum children, and the same for all on the Settlement, and a present and dinner for our Hostel men and boys. I know you will be as good to us and our people this Christmas as you have been in the past.

Now in regard to our Thanksgiving Service on Sunday, December 8th. I do hope that every one of our Melbourne friends will make a special effort to be present with us on this very important

occasion. It is not our habit to encourage people to desert their usual place of worship, but we do not have a tenth birthday every day!

During the ten years of our life we have had our difficulties and our trials and our sorrows. There have been times when the future has been dark, but God has been very good to us, and although we are living in the darkest period of the world's history, believing that we are doing a work that is in accordance with the will of God, and relying upon the loyalty of our ever-increasing number of friends, we face the future unafraid.

We are ever mindful of the fact that what we have been able to do is due to a very large extent to the sympathetic generosity of you, our friends. You may not always agree with our policy, you may think we could do things better than we do (and no doubt we could), but yet you give us of your friendship, and so enable us to carry on. We are most grateful.

Perhaps it is not out of place for me, on the eve of our tenth birthday, to pay a word of tribute to those who are associated with me in the work. As the head of the Brotherhood, I get most of the "limelight," but there would be no "limelight" for anyone were it not for the loyal and wholehearted co-operation of those who have thrown in their lot with me.

I look back to this time ten years ago when three young men undertook to help me found the Brotherhood. One left us after four years' faithful service. One gave us of his brotherly co-operation and unbounding cheerfulness until called upon to represent us in the Church Expectant. One is with me still. The Brotherhood has much to be thankful for, and its Superior has much to be thankful for.

My last words. Please do not forget Sunday, December 8th. Be with us if you possibly can.

That you may have as happy a Christmas as is possible during these dark days is the wish of us all.

I am, dear B.S.L. friends,

Yours very sincerely,

E. Kennedy Tucker

Superior B.S.L.

P.S.—I commend to your interest the leaflet written by the Vice-Superior, and which goes to you with this. It is printed separately in order that, having read it, you may pass it on to a friend. The article defines something of the policy of the Brotherhood. We have a definite policy. We want our friends and others to know what that policy is. Other such articles are to follow.—G.K.T.

THE BROTHERHOOD IS ON THE AIR.

From 3DB on Tuesdays and Thursdays
at 10.55 a.m. (The Superior)

and

From 3XY on Wednesdays and Fridays
at 11.45 a.m. (The Vice-Superior).

TO MEMBERS OF THE B.S.L. RADIO CIRCLE.

You good folk who undertook to give or collect £1 each six months came to our aid when we were faced with serious financial difficulties. You saved the situation. We are most grateful. I know you will continue to support us, as far as possible, in the way you have undertaken. In order to make the Circle as wide as possible, I am including in it all who make themselves responsible for at least 5/- by taking a collecting card. In future I shall not speak about £1 every six months, but I shall not forget you, the founders of the Circle. I hope that you who have listened to me so patiently will listen in to the Vice-Superior, who now speaks from 3XY on Wednesdays and Fridays at 11.45 a.m. You will know who has written this when I conclude with—"Until Thursday next at five to ten, fare ye well."

Houses of S. Francis.—Through the generosity of Mrs. Harold Nathan and others, we have been able to make some alterations which have done much to improve the working conditions of the Hostel, and to add to the comfort of both the staff and the men and boys.

There is still a greater demand for good boys than we can supply. It should be understood that before coming to us many of the boys have been

for years living from hand to mouth. Many of them have got into careless and lazy ways (and can it be wondered at?). We often have to keep boys for months before we can recommend them to employers. To thus keep them involves no little expense and, we might add, no little patience, but this rehabilitation we consider to be part of our work. We long for the time when the problem of the homeless and friendless boy will be tackled in a statesmanlike fashion. We still hear the cry that every man is needed, but boys are still allowed to drift into dead-end jobs, to become criminals and wastrels. The Brotherhood will continue to protest against this folly, but we maintain we are doing something more than protesting. We are doing something practical. We are saving boys, we are giving them a chance. There are hundreds of boys faithfully serving the community to-day because the friends of the Brotherhood have given us the where-withal to do the work. That is good, but the work must be extended if the present appalling wastage of man-power is to be stayed.

The Settlement.—Owing largely to the success of the 3DB Appeal, the Finance Committee feel that we are justified in erecting another house. Most of the money for three houses is in hand, but owing to the uncertainty of the times and to the increase in the cost of building, the erection of the houses has been deferred. The house which we are about to erect will be the gift of Miss C. M. Locke. We hope that before very long we will be able to proceed with the houses for which the money has been given by Mrs. E. H. Martin and Mrs. Orrell. Before the war we said that houses could be built for £150. At least £200 is now required, and it would seem that the cost of building will increase still further.

The store, which up to the present is let to a Frankston merchant, is about to be opened by us, and will be managed by Mr. Gordon Henry. We hope that when our friends are passing the Settlement they will call and inspect the store, and perhaps make a few purchases. We would again suggest that when people are going by car to Frankston and beyond, they should go via Dandenong. The distance is no further, and the road from Dandenong is reasonably good. If people would do this they would have an opportunity of

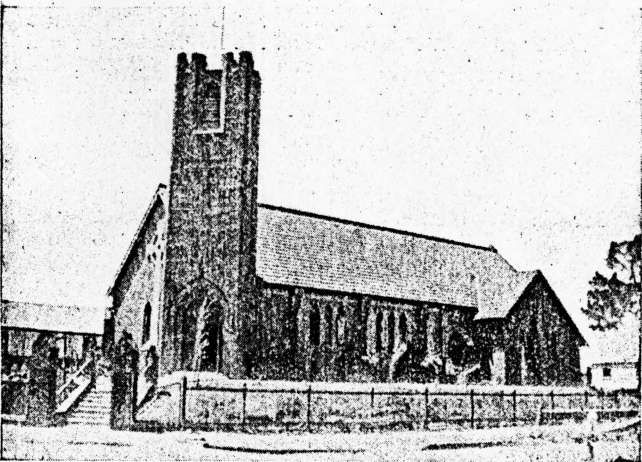

seeing the Settlement without adding to the expenditure of petrol. We do want more people to see the Settlement. It is not as good as we would like it to be, nor as good as we hope to make it, but yet we think it is worth seeing. It is, at any rate, a demonstration of the kind of thing that should be done for those who for various reasons cannot be used by the community. What we say in regard to the folly of allowing boys to become useless to themselves and to the community is none the less true in regard to married men with families. There are literally tens of thousands of children being brought up under conditions which destine them for the scrap heap of life. And yet we prate about the need of population and the right kind of population!

**A LETTER FROM HIS GRACE THE ARCH-
BISHOP IN CONNECTION WITH THE
BROTHERHOOD'S TENTH ANNIVERSARY.**

Bishopscourt, Melbourne, E., C.2.
9th November, 1940.

I gladly commend the work of the Brotherhood of S. Laurence to the support not only of all churchpeople, but also to all those who love their fellow-men. The Brotherhood has achieved marvels during the ten years of its life. It has given a new ideal of the work of the Priesthood to many who are hoping to dedicate their lives to the service of God in His Church. It has also brought the Church into touch with the unemployed by its social work in Fitzroy and at Carrum Downs. It has faced very great financial burdens with faith and hope and courage. I pray that by the grace of God it will do even greater things in the future than it has done in the past, and I hope that it will receive increasing support as the years go by.

F. W. MELBOURNE.

THE 10th ANNIVERSARY
of the
ESTABLISHMENT OF THE BROTHERHOOD.

ALL FRIENDS
are invited to
THE SERVICE OF THANKSGIVING
in the BROTHERHOOD CHURCH
on

SUNDAY, DECEMBER 8th, at 7 p.m.

Preacher: The Reverend John Drought, B.A.

His Grace the Archbishop will be represented by
The Right Reverend Bishop Ashton.

The following car owners have kindly undertaken to convey passengers to the service. Those wishing to avail themselves of the hospitality offered should communicate as soon as possible with the people concerned. Applications should be made to those living nearest to passengers' residences.

Mr. R. C. Backholer, 15 Rubens Street, E. Camberwell. Tel. WF 1780. Two passengers.

Mr. L. W. Cust, 68 Lumeah Road, Caulfield. Tel. LF 7521. Two passengers.

Mr. A. L. Wettenhall, Flat 12, Pasadena Mansions, St. Kilda Road, Melbourne. Tel. Win. 9921. Three passengers.

Mr. H. L. Tucker, 12 Horsburg Grove, Armadale. Tel. U 3053. Four passengers.

Miss L. A. Foster, 18 Munroe Street, Armadale. Tel. UY 5066. Three passengers.

Miss Glascodine, 12 Sorrett Avenue, Malvern. Tel. U 3060. Four passengers.

Those coming by 'bus from the city should take the East Brunswick 'bus at the corner of Swanston and Bourke Streets. The church is on the corner of Nicholson Street and Glenlyon Road.

At the conclusion of the service a reception will be held in the Priory Garden, to which all are invited. It is hoped that Dr. W. Y. Tsao, Chinese Vice-Consul, will be with us as guest of honour, but up to going to press Dr. Tsao is unable to say definitely if he will be able to accept our invitation.

5000 5/- APPEAL.

The Superior and the Vice-Superior have set themselves the task of securing 5000 new subscribers at 5/- each. They feel sure that there are at least 5000 people who would be prepared to help forward the work by subscribing the amount indicated. By their talks from 3DB and 3XY much can be done, but the Brotherhood cannot get very far without the help of its friends. There are at least two ways by which friends can help.

1. By asking their friends to listen in to one or both of the broadcasting sessions.
2. By asking their friends to take and use the form on the back cover of this issue.

With your help the objective can be reached.
May we rely upon your help?

PLEASE REMEMBER— SUNDAY, DECEMBER 8th.

Those wishing to go by car should, as soon as possible, get in touch with the nearest car owner who has offered to convey passengers.

GENERAL NOTES.

Prayers for Peace and for our Fighting Men.—On each Wednesday night at 8 o'clock an Intercession Service is held in the Brotherhood Church—S. Cuthbert's, East Brunswick—when prayers are offered for the peace of the world and for those who are fighting for us. We should be glad to receive the names (Christian as well as surname) of friends and relations of our friends who have joined the Forces. They will be remembered with those whom we already remember week by week. And we should be glad to send the copy of a prayer which we have had printed for the use of those who have dear ones serving abroad. We are convinced that we can never know a real and a lasting peace until we learn to draw upon that Power which comes through prayer.

* * * * *

The Garden Party.—We were glad to see such a large number at our third Garden Party in the slums. We are very grateful to Mrs. A. W. Coles

for, at short notice, taking the place, as guest of honour, of Her Excellency Lady Gowrie. We are grateful, too, to the Reception Committee, and, may we say, especially to Mrs. E. A. Poolman, who provided the afternoon tea; Mrs. Karl Kumm, who provided the band, and Lady Hyde, who did most of the organising.

Lady Dugan's Visit.—Space does not allow us to refer to all the events arranged during the quarter by our friends, but we should like to record our gratitude to Lady Dugan, who honoured us by opening our Fair at S. Cuthbert's, and, may we add, to Mrs. Essington Lewis and Mrs. O. A. Neuendorf, who acted as hostesses.

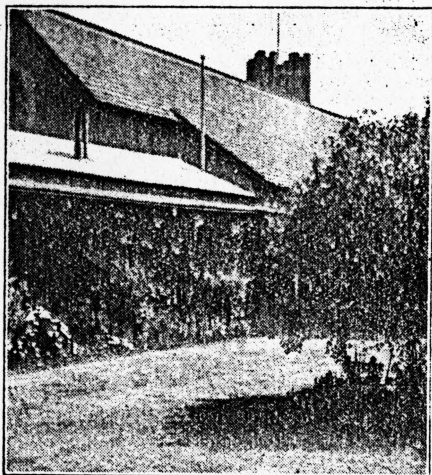

Stamps.—After acting as organiser of our Stamps Department for three years, Miss Joan Bagot has been compelled to give up this part of her work for us. Hers has been a most exacting task, carried out with great efficiency. Mr. A. O. Archer, who from the outset has assisted Miss Bagot, has undertaken to become organiser. Mr. Archer would be glad of helpers to sort the stamps and prepare them for sale. Who will volunteer for this service? Mr. Archer's address is 14 Newberry Grove, Brighton, and his telephone number is X 3873.

Envelope Addressers.—Our thanks go to members of S. Cuthbert's G.F.S., who addressed all this quarter's envelopes for the "Notes." This task is, as a rule, carried out by Miss Bagot, but owing to illness she has been unable to do it. Addressing 2000 envelopes involves many hours' exacting work.

Used Clothes.—There is a limitless demand for left-off clothes for sale at a nominal price in the Brotherhood shop. There is special need for men's and children's clothes. One of our customers has thirteen children! Parcels may be sent to the Flinders Street Railway Station. They are carried free of charge. If it is desired that parcels should be called for, ring U 3053.

The B.S.L. "Notes."—We are glad to send the "Notes" to any who are interested, but if any should receive them who are not interested, will they please let us know.

Apologies if Needed!—Once again we would ask to be excused if there are any mistakes under the "Acknowledgments" heading. We do our best, but mistakes will occur.

INTERCESSIONS.

1. That in thankfulness for blessings of the past, the Brotherhood may, with renewed hope, press on with the work to which it has been called.

3. That the best and noblest of the sons and daughters of the Church may be inspired to dedicate their lives to its service.

4. For the members and friends of the Brotherhood serving with the fighting forces, that having faithfully done their duty, they may return to their homes in safety.
