THE SUPERIOR'S LETTER.

S. Cuthbert's Priory, East Brunswick.

April, 1942.

Dear B.S.L. Friends,

In these days of stress, it is not easy to carry on with what seem to be ordinary affairs, but some ordinary affairs are essential to our national welfare, and, as such, they must be supported in spite of the fact that we are fighting for our very existence. By the continued support we receive from the community, it seems that it is realised that the Brotherhood of S. Laurence is doing a work of national importance. It would, indeed, be a terrible thing if organisations which have been built up at the cost of infinite labour and sacrifice, and which, over the years have proved their value, should cease to function. I think I can say that we were needed during those days of depression, and during the days following the depression. I think I can say, too, that we are needed during these days of war. Will we not be needed during the days after the war—days which some tell us will be even more difficult than are the present? If we should have to give up because of the war, the chances of our being able to re-start after the war would be very remote. I must hasten to add that we do not contemplate, for a moment, the idea of giving up. As long as you good people stand by, we shall continue to carry on.

It may, perhaps, be thought that, because the Hostel has been closed, we are now no longer in need of financial support. It should, though, be understood, that the Hostel was costing us far more

than we could afford. Although the chief reason for our giving up that branch of the work was because of the shortage of staff, we were also not unmindful of the fact that we were drifting into debt.

The financial position is now easier, but yet, our need of continued support is still very real. Our Fitzroy work involves large expenditure. The wages of one man have to be found, and the office there has to be maintained. When the balance sheet is issued, you will see the amount we have to pay out annually in the way of help to the many who come to us in their need. And then, there is the expenditure at Carrum Downs. The houses there, which are built, as you know, at the lowest possible cost, need continued care to keep them in good order, but I will not dwell upon these details, because the balance sheet will make the position clear.

Please excuse the shortness of this letter, and the smallness of the Notes as a whole. We come under paper rationing regulations.

I am, dear B.S.L. friends,

Yours very sincerely,

G. Kennedy Tucker

FURTHER THOUGHTS CONCERNING MAKING A WILL.

To our Friends,

The Brotherhood is now in the eleventh year of its existence. Perhaps some day its history will be written. I do hope that if it is written the writer will tell of the good friends who rallied round us when we first came to Melbourne. At that time we had only a wreck of a cottage which we called a hostel for unemployed men. We told of what we hoped to do. People took us at our word, giving us of their substance and their service. Gradually the work has grown, and there is every indication of further growth. We now have our well-equipped hostel (the successor of the "wreck of a cottage"). Our Settlement is something that all who helped in its establishment may well be proud. Keble House, our training centre, is now established in East Brunswick.

During our years in Melbourne, our friends have enabled us not only to establish a Hostel and a Settlement, but they have enabled us to train men for Brotherhood work. Those who came to us as mere boys are now Priests of the Church, and are taking their full share in the work for which we are banded together. When my time comes to lay aside the reins of office, I shall be able, with confidence, to leave the welfare of the Brotherhood in the hands of those who have given themselves to its service.

I like to think that when we have played our part and passed hence, we will be allowed to see what is going on here on earth. Those of us who have tried to serve our fellow men through the Brotherhood will want to see the work progressing, although we ourselves are "absent in the flesh."

We can all, during our lifetime, help provide for the future of the Brotherhood. You are doing it now by giving as you do of your prayers, your service, and your substance. Some will be able to do more. Some will be able to remember the B.S.L. in their wills.

GENERAL NOTES.

*Went to Newry
Mr. Orrell*

The Settlement.—Through the generosity of Mrs. Orrell, a house is being built for our manager, Mr. Henry, his wife and family. Up to the present they have been living in three small rooms at the back of the shop. When the Henrys move out the shop is to be enlarged. It is now far too small for an ever growing number of customers.

*Sleep
enriched*

Fitzroy Shop.—The shop committee has made itself responsible for the sorting of clothes which are being got together for possible evacuee children. The need of clothes is still very great. If it is desired that clothes should be called for, ring U 3053. Any information concerning the shop may be had from the organiser, Mrs. Gipps, Flat 2, York House, Alexander Avenue, South Yarra. Tel. Win. 2973.

*Clothes for
Evacuees*

Campaign Rooms.—Mrs. A. L. Johnson, who launched this very successful venture some fifteen months ago, has recently resigned. We are sorry to lose her, and are very grateful for a valuable piece of work well done. Mrs. G. S. Day, another good friend, has taken Mrs. Johnson's place. Our thanks go to those who have sent in odds and ends for sale at the rooms. It is surprising what will sell, what is valueless to one is of value to another.

Clark

The Vice-Superior.—Early in the new year Fr. Clarke went into camp "for the duration." We miss him sorely, but are cheered to know that he is happy in his work, and knowing him as we do, we know that he is doing a difficult job well.

Books and Bulbs.

We are very grateful to all who have sent us books for the library at Carrum Downs, which is much appreciated by our people. Our thanks also go to those who have sent bulbs for the Settlement. There is still need for books and bulbs. After the latter word we might add, "and all kinds of plants." Parcels may be left at 49 The Royal Arcade.

*Miss Joan Bagot,
books & plants*

Stamps.—Mr. A. O. Archer, our stamp organiser, having undertaken full-time war work, has been compelled to resign his position with us. Miss Joan Bagot, who was organiser before she handed over to Mr. Archer, has resumed her old position. Will friends please remember our ever present need of stamps. Miss Bagot's address is 1104 Malvern Road, Malvern.

*Refugee at
Fitzroy in case
of war
Melbourne*

Bombs!—They may come to Melbourne, although we pray that they will not. In order to be ready to do what we can for our Fitzroy people in case of emergency, we have fitted up the Hostel as a refuge for the use of those who might lose their homes through enemy action. The building has been made as safe as possible, stores have been taken in, beds prepared, and a staff of men and women are ready to be called at a moment's notice to their battle stations. We are grateful to those who helped us financially with the task of carrying out the necessary alterations to the Hostel. We are grateful, too, for those who have sent us children's clothes. Many of our Fitzroy youngsters have only the clothes they stand up in. We want to properly equip them should they have to be evacuated. We cannot have too many children's clothes.
