I, William Richard Kerr

Want to live in the House of S. Francis.

In order to fit in with the rest of the household, I am ready to:—

1. Be at meals on time and make my bed before breakfast.
2. Keep myself, my clothes and my room clean and neat.
3. Respect the property of others, and help to take care of the House and everything in it.
4. Take my turn at Mess Duties, and also do an hour's work each week, if called upon.
5. Work as regularly as possible, and pay a reasonable amount towards the cost of my living here.
